Objective

Hello, my name is Marco Marino and I'm a Designer. I've a passion for the beauty, whether simple or extravagant. I also love coding and typography. I was born in Naples, but now i live in Barcelona. So, I'm Italian and like all Italian people I live of pasta and pizza. And...of course, I always say "Mamma Mia!"

Education

Ilas Design School 2011-2013

Master History of Graphic Design

A core, high-level methodological and theoretical training in history through material culture combined with subject specialist expertise in the history of design and the history of performance.

Ilas Design School 2011-2013

BFA (Bachelor in Fine Arts)

Verbal, as well as visual communication skills, were developed throughout the curriculum. BFA allowed to be knowledgeable in design thinking as a means to identify problems and create possible solutions.
